

GUDDENKA PRANATHI

Ambedkar Nagar, Jillelaguda, Hyderabad

Email: guddenkapranathi19@gmail.com — Phone: +91 77025 87094

Career Objective

Motivated Computer Science undergraduate with a strong academic record and a passion for problem solving, software development, and competitive programming. Experienced in Java, Python, and C programming with hands-on project experience. Seeking opportunities to apply technical skills, learn industry practices, and contribute effectively to innovative software development teams.

Education

S.No	Degree	Branch	Institute	CGPA/%	Year
1	B.Tech	CSE	BVRIT Hyderabad CEW	8.81	2024-2028
2	Intermediate	MPC	New Masterminds Junior College	98%	2022-2024
3	SSC	Class X	Eminent Concept School	10.0	2021-2022

Technical Skills

- **Programming Languages:** C, Java (OOP), Python, C++ (Basics)
- **Database:** SQL (Basics)
- **Tools & Platforms:** GitHub, VS Code, Tableau, Overleaf, MS Word, Excel, PowerPoint
- **Operating Systems:** Windows, Linux, macOS
- **Core Concepts:** Object-Oriented Programming (OOP), Data Structures (Basics), Problem Solving

Projects

- **IntegrityX – GitHub-Based Programming Assignment Evaluation System**
 - Designed a web-based academic assessment platform integrating GitHub repositories for assignment submission and tracking.
 - Implemented automated evaluation workflows, centralized result management, and role-based dashboards for students and faculty to enhance efficiency and transparency.
- **Car Rental Management System (Java)**
 - Designed and developed a Java-based car rental management system using Object-Oriented Programming principles.
 - Implemented customer registration, vehicle booking, and rental tracking functionalities for efficient rental management.
- **Sudoku Player (Python)**
 - Developed a Python-based Sudoku game with puzzle validation, timer, hints, and error-highlighting features.

Competitive Programming & Achievements

- Selected for **Anokhee**, an ongoing mentorship initiative by **Amadeus Software Labs**, aimed at developing industry-relevant technical and professional skills.
- Solved **500+ coding problems** across competitive programming platforms.
- Secured **2nd Place** in **Flag Quest** technical event conducted during Synergia at BVRIT Hyderabad.
- Shortlisted for **Infosys Springboard Internship 7.0**.
- Regularly practice competitive programming and problem solving on CodeChef, LeetCode, Codeforces, and MentorPick.

Certifications

- **Simplilearn** – Python for Beginners, OOPs in Java
- **Scaler** – Python Course for Beginners
- **CodeChef** – Practice Java, OOPs Through Java, C++, Data Structures
- **Being Zero** – Being Zero Coding League 2.0 Participation Certificate

Professional Profiles

- **LinkedIn:** linkedin.com/in/pranathi-guddenka
- **GitHub:** github.com/Pranathi-19
- **LeetCode:** leetcode.com/u/Pranathi-19
- **CodeChef:** codechef.com/users/pranathi_g
- **Codeforces:** codeforces.com/profile/Pranathi-19
- **MentorPick:** mentorpick.com/profile
- **HackerRank:** hackerrank.com/profile/24wh1a0584

Soft Skills & Extra-Curricular Activities

- Communication, Problem Solving, Time Management, Adaptability.
- Sketching, Solving Puzzles and Logical Quizzes.
